PRINTING AND PHOTOGRAPHY DIVISION

March - May 1983
Special Activities

1. This report contains information which reflects current OL/P&PD support for DO programs and requirements. Compared to statistics for 1982, current support for certain operational elements continues to grow. This growth factor is also coupled with a demand for reduced turnaround (many times over night) and for a more sophisticated product. Current support hours are averaging 1,902 per month compared to 1,593 for 1982--a 20% increase.

2. Significant requirements over the past several months have included:

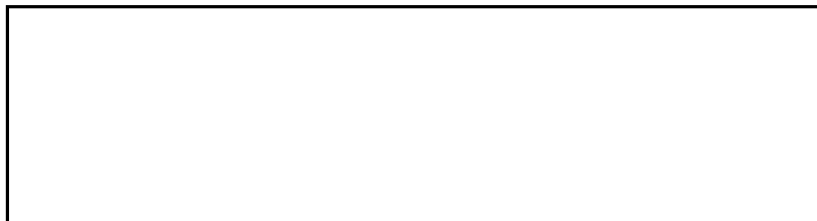

a. Photographic Support

25X1

Miscellaneous - 205 Hours of Motion Picture/
Video Support

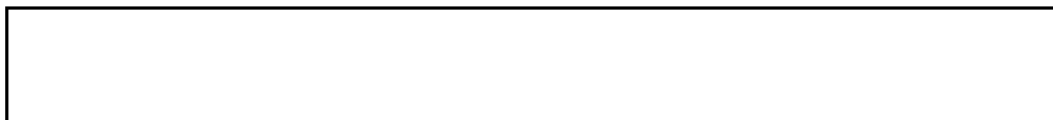

b. Printing and Binding Support

25X1

c. Bindery and Reprographics Center
